

International Conference on Vegetable Oils 2023 (ICVO 2023)

Research, Trade, Value Chain and Policy

ICVO 2023

Indian Council of Agricultural Research, ICAR-Indian Institute of Oilseeds Research (IIOR), and Indian Society of Oilseeds Research (ISOR) in collaboration with ICRISAT, other sister ICAR institutes and the societies engaged with vegetable oil research are jointly organizing the **International Conference on Vegetable Oils (ICVO) 2023** during **January 17-21, 2023 at Hyderabad, India**. The conference is envisaged to be a convergent point for priority persuasion and provide a platform to deliberate on research strategies, infrastructure developmental needs, trade and value chain ecosystems, and policy perspective to promote increased vegetable oil production on short-, medium- and long-term basis at global as well as national levels. Several invited talks, plenary talks, contributory oral as well as poster presentations and technology exhibitions are planned during the International conference. Also, five satellite symposia dedicated to specific issues of major vegetable oil crops are also planned to be held during the conference. The event will be organized in association with several national and international organizations associated with oilseeds research and production.

17-21 January, 2023
Hyderabad, Telangana State, India

Jointly Organized by
Indian Council of Agricultural Research (ICAR)
Indian Society of Oilseeds Research (ISOR)
ICAR-Indian Institute of Oilseeds Research (IIOR)

Collaborators

Central Theme of the Conference

The central theme of the conference is to address the major issues that are limiting the production of vegetable oils and develop strategies for a roadmap to overcome these issues and achieve an increased production.

Key features of the conference

- Satellite symposia on oilseeds & Oil Palm
- Rapid roll over presentations by young researchers
- Poster presentations
- Exhibitions by industry, FPOs, SHGs, start-ups, etc.
- Keynote presentations by experts (India & abroad)
- Panel discussions
- Field visits
- Pitch presentations to encourage entrepreneurs
- Cultural events
